Harm Reduction Services

If you are in need of help related to substance use disorder, Harm Reduction Services can offer a complete patient-oriented approach to your health and well-being. Affinity Health Plan covers services that may help reduce substance use and other related harms. These services include:

- A plan of care developed by a person experienced in working with substance users.
- Individual supportive counseling that assists in achieving your goals.
- Group supportive counseling in a safe space to talk with others about issues that affect your health and well-being.
- Counseling to help you with taking your prescribed medication and continuing treatment.
- Support groups to help you better understand substance use and identify coping techniques and skills that will work for you.

To learn more about these services, call Member Services at 1-866-247-5678 (TTY 711).
